

# FOCUS : HYDERABAD

**MORIQ**

Moriq is a full service interiors and design consulting firm located in Hyderabad, India. It has a collective professional experience that encompasses a wide array of design types including residential, commercial, institutional and educational facilities.

Moriq was established in 1991 in Hyderabad by Riyaz Quraishi, who was later joined by Simeen Quraishi as a partner. MoriQ consists of talented design professionals and administrators with resources necessary to visualise projects from concept to final design.

Moriq was conceived as the label for quality interiors and design consulting firm. It is forever exploring new forms and mediums and crossing boundaries between design disciplines by understanding the creative potential and methodologies of different realities.
